Dear Sir:

The application has been reviewed in light of the rejection dated July 27, 2010.

Claims 1-6, 32, and 34 are pending in the application. Applicants reserve the right to pursue the original claims and other claims in this and other applications. Applicants note that the Office Action Summary again indicates that claims 1-34 are pending in the application. However, claims 7-31 and 33 were previously canceled.

Claims 1-6, 32, and 34 stand rejected under 35 U.S.C. § 103(a) as being unpatentable over Nonomura et al. (US 2003/0108338) in view of Baldwin et al. (US 6,975,363), and further in view of Kumar et al. (US 6,230,162). This rejection is respectfully traversed. None of Nonomura et al., Baldwin et al., nor Kumar et al., even when considered in combination, teaches or suggests all of the features of independent claims 1, 32, or 34.
